State to Study & Begin Repairs on Hoan Bridge

Milwaukee County Supervisors Marina Dimitrijevic, Chris Larson and Patricia Jursik released a statement regarding the Department of Transportation's decision to begin repairs on the Hoan Bridge: "Although somewhat overdue, the State of Wisconsin today announced that it will begin work on some repairs to the deck and structure of the Hoan Bridge. While this action is not a full replacement of the bridge deck, we welcome this move and thank Transportation Secretary Frank Busalacchi for taking a positive first step to preserve this vital link for our communities. The Hoan Bridge is extremely important to the residents that we represent, as well as the greater south shore area and all of southeastern Wisconsin. We would like to thank the more than 8,000 constituents who signed the petition."

Supervisor Dimitrijevic's Campaign Finance Legislation Passes Unanimously

Legislation introduced by Milwaukee County Supervisor Marina Dimitrijevic to modernize campaign finance in Milwaukee County was approved by the County Board unanimously. The resolution calls on the Director of the Milwaukee County Election Commission to develop a plan to implement online filing for candidate registration and campaign finance

reports by this fall. The initiative will apply to all County elected officials and candidates. "This is another key step in opening up our government to the people that we serve" said Supervisor Dimitrijevic. "This enhancement is long overdue, and I'm glad we have voted to allow more sunshine in to the operations of County government."

Mitchell Park Domes Art Festival

The Mitchell Park Conservatory, known to Milwaukee and Wisconsin residents as "The Domes," is a world class horticultural adventure. In August 2010, The Friends of the Domes, a nonprofit organization organized the first ever Milwaukee Domes Art Festival. The show will be a dual purpose event bringing a cultural event and presenting the Milwaukee Domes Art Show to the public. Festival attendees will have the

opportunity to engage with intriguing art, fine cuisine, and witness live on premise art being created. Admission is \$5 (children under 8 admitted free) with the availability of a discounted Mitchell Park Domes pass of just \$5 (normally \$6.50). The Show runs from August 20-22.

12 p.m.-7 p.m. Friday

10 a.m.-7 p.m. Saturday

10 a.m.-4 p.m. Sunday

UMOS Celebrates its 45th Anniversary

Supervisors Dimitrijevic and West at UMOS' 45th Anniversary Celebration at the Pfister Hotel. UMOS Headquarters is in the 4th District, represented by Supervisor Dimitrijevic.

Appointment to Milwaukee County Research Park Board of Directors

Supervisor Marina Dimitrijevic was appointed to the Milwaukee County Research Park Corporation's Board of Directors this month.

"After I was elected in 2004, I spent my first four years on the Economic & Community Development Committee, so this appointment is a natural progression of my efforts to spur additional economic development in Milwaukee County," Supervisor Dimitrijevic said.

"We have made great progress in attracting both large employers and small business incubators to this area of the County Grounds."

The Milwaukee County Research Park Corporation is a non-profit organization created to manage the development of a university-related research park on 175 acres of Milwaukee County owned land in Wauwatosa, Wisconsin.

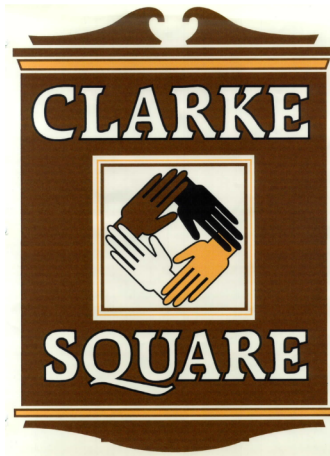

Supervisor Dimitrijevic Featured on the Cover of Wisconsin Woman Magazine

Supervisor Dimitrijevic is featured in this month's cover article of Wisconsin Woman Magazine. Copies are available at your neighborhood Walgreens.

Clarke Square National Night Out

National Night Out is a national day designed to heighten crime prevention awareness, strengthen neighborhood spirit and police-community partnerships, and send a message to criminals letting them know that neighborhoods are organized and fighting back. Clarke Square will have food, music and games and is free for everyone. I hope to see you there!

MCTS Gets New Clean Diesel Buses

MCTS recently purchased 90 new “clean diesel” buses. These new vehicles will reduce pollution by producing near zero emissions. The new buses feature an updated exterior paint scheme that retains the use of blue, green and gold. These new vehicles were purchased with help from the American Recovery and Reinvestment Act. Supervisor Dimitrijevic is featured here with one of the new transit buses.

Warnimont Dog Exercise Area Opens August 6

Supervisors Patricia Jursik and Marina Dimitrijevic are pleased to announce the opening of the new Warnimont Dog Exercise Area serving the South Shore. The public is invited to a grand opening ceremony on Friday, August 6, 2010, at 10 a.m. at Warnimont Park in Cudahy. Parking is available at the Kelly Senior Center, 6100 S. Lake Drive in Cudahy.

Supervisor Dimitrijevic, an advocate for parks and a member of the County Board's Committee on Parks, said, "I look forward to this dog exercise area being a great asset for residents throughout Milwaukee County's South Shore."

Dogs are welcome at the grand opening ceremony. Each dog must be licensed and have proof of current rabies vaccination. Attendees will have a chance to purchase dog licenses and dog exercise area permits with proof of rabies vaccination. Free dog treats will be available and the public will have a chance to win great prizes thanks to the support of ROMP (Residents for Off-leash Milwaukee Parks) and area businesses.

Fixx Coffee House of St. Francis will operate a kiosk serving delicious beverages through mid-November at the new exercise area.

Did You Know?

Milwaukee County is the new owner of the former 440th Airlift Wing site at Mitchell Field. The 440th, which had been part of Milwaukee for over 50 years, moved to Pope Air Force Base in North Carolina in 2007. After going

through proceedings with the Federal Government, about 120 acres of land were turned over to Milwaukee County to be used for economic development.
